

CATERING AND LARGE PARTY MENU

General Information

Casual yet stylishly contemporary, TAP is your go-to spot at the MGM Grand for great food, beer, sports and an all-around good time. But don't let the name lead you to believe this is an ordinary sports bar & grill. Pull up a seat at the bar, surrounding yourself with 62 high definition TVs, and choose from our select specialty beers and premium wines on TAP. Or, if you're not quite in the mood for something on draft, you can opt for one of TAP's hand-crafted specialty cocktails such as the "TAP Manhattan" or "Belgian Mojito."

There's an extensive menu of seriously good food to satisfy your hunger. Juicy Burgers, Tender Ribs, and our Signature Hand-Carved Sandwiches make TAP a Las Vegas dining destination in its own right.

With your appetite well taken care of, you can now focus on your entertainment. Big Screen sports are what we do. So, if there's a game on, this is the place to watch it.

If sports aren't your thing there's always something exciting going on. To quote the managers, "We'll throw a party for just about anything!" St. Patrick's Day, Groundhog Day, Arbor Day, who cares? Join us today to customize a private party for your group!

TAP is conveniently located in *The Central* inside the MGM Grand Hotel and Casino across from the sports book. Please look over the extensive menu options we provide and let us know if you have any questions.

If you are ready to book please sign the terms and conditions (page12), fill out the event order (Pages 13 and 14) and credit card authorization form attached. For further instructions refer to the contact information below.
